

Internship offer: International Policy

Sector

Ocean and Climate / International Affairs / NGO

Description of the organisation

The [Ocean & Climate Platform \(OCP\)](#) is a multi-stakeholder network with more than 90 international members: NGOs, scientific organisations, universities, research institutions, foundations, public institutions, business associations and local authorities. OCP's objective is to raise awareness among the public, scientists and political decision-makers of the importance of the interlinkages between Ocean, Climate and Biodiversity.

The intern's responsibilities will include:

- Assist with the coordination of advocacy activities, especially regarding the ocean-climate-biodiversity nexus (e.g. ocean-based mitigation and adaptation solutions)
- Assist with the coordination of mobilisation activities as part of the Marrakech Partnership Global Climate Action on Ocean and Coastal Zones, including the Ocean Action Day during UNFCCC COP 27
- Assist with the organisation of international conferences, meetings and workshops, in particular the UNFCCC COP 27 (Sharm El Sheikh, November 2022) and CBD COP15 (Kunming, Fall 2022),
- Follow-up of the relations between the Platform and national institutions (e.g. Ministry for the Ecological Transition, Ministry of the Sea), European institutions (e.g. European Parliament), and international institutions (e.g. UNFCCC)
- Follow-ups of international processes (e.g. NDC revision cycle, Global Stocktake) and conferences, especially UNFCCC and CBD
- Draft a wide range of information materials, including meeting reports, factsheets, blog articles, policy briefs and conference documents
- Conduct independent research on ocean-climate-biodiversity related topics of interest, e.g. marine protected areas, blue carbon ecosystems, shipping etc.

Skills and qualifications:

- Excellent command of both [English](#) and [French](#) (oral and written)
- Excellent writing skills and ability to work with little supervision
- Strong organisational skills and attention to details
- Strong knowledge of international environmental affairs and governance (ocean, climate and biodiversity)
- Strong research and analysis skills

Academic background: Be enrolled in a [masters' degree](#) in environmental policy, political science, international relations or equivalent.

Dates: September 5th, 2022, for a period of 6 months.

Financial compensation: Legal internship allowance.

Location : Maison des Océans, 195 rue Saint-Jacques, 75005 Paris.

To apply: Please send your CV, cover letter and availability to the attention of Ms Loreley Picourt (secretariat@ocean-climate.org) **by 25 May 2022**, with the subject line: **09_22_POC_IR**. Applications will be reviewed on a rolling basis. Selected candidates will be invited for an interview.
