

## **Internship offer: Science support**

### **Sector**

Scientific Committee / Ocean & Climate / NGO

### **Description of the organization**

The [Ocean & Climate Platform \(OCP\)](#) is a multi-stakeholder network with more than 100 members: NGOs, scientific organizations, universities, research institutions, foundations, public institutions, business associations and local authorities. OCP's objective is to raise awareness among the public, scientists and political decision-makers of the importance of the interlinkages between ocean, climate and biodiversity.

### **The intern's responsibilities will include:**

#### Assistant to Dr. Françoise Gaill, OCP Vice-President:

- Keeping up-to-date and critically synthesising scientific or political articles
- Assisting with the global reflection on an International Panel on Ocean Sustainability (IPOS)
- Production of support material (visuals, presentations, speeches, etc.) for interventions at events, meetings and specialized courses
- Participation and follow-up of ocean-climate-biodiversity events and conferences
- Calendar-management for Françoise Gaill

#### Support for the scientific activity of the Ocean & Climate Platform:

- Assisting with the dissemination of *informative tools* on the IPCC 6<sup>th</sup> Assessment Report
- Drafting articles and policy briefs about ocean-climate issues
- Event planning, following-up and minute-taking in meetings

### **Requirements:**

- Scientific knowledge of ocean and climate issues
- Excellent command of both English and French (oral and written)
- Excellent writing skills and ability to work with little supervision
- Excellent ability to review and synthesize scientific articles
- Rigor, organizational skills, versatility
- Autonomy and sense of initiative

**Academic background:** Be enrolled in a masters' degree in environmental sciences, engineering, political sciences.

**Dates:** 6 March 2023, for a period of 6 months.

**Financial compensation:** Legal internship allowance.

**Location :** Maison des Océans, 195 rue Saint-Jacques, 75005 Paris.

**To apply:** Please send your CV, cover letter and availability to the attention of Ms Loreley Picourt ([secretariat@ocean-climate.org](mailto:secretariat@ocean-climate.org)) **by 3rd February 2023**, with the subject line: **03\_23\_SCIENCE**. Applications will be reviewed on a rolling basis. Selected candidates will be invited for an interview.
