

**Internship offer:
Communication and network animation support**

Sector

Ocean and Climate / environment / science to policy / NGO

Description

The [Ocean and Climate Platform](#) is a multi-stakeholder network with more than 100 members: NGOs, scientific organisations, universities, research institutions, foundations, public institutions, business associations and local authorities. OCP's objective is to raise awareness among the public, scientists and political decision-makers of the importance of the interlinkages between Ocean, Climate and Biodiversity. The communication intern will work in collaboration with the science and advocacy teams to support the dissemination of the various projects.

The Intern's responsibilities will include:

- **Communication support:**
 - Draft a wide range of communication materials including meeting reports, conference documents, blog articles, press releases
 - Participate in the elaboration and the implementation of a communication strategy focused on the ocean elements of the IPCC AR6 synthesis
 - Update the Platform's social media accounts (Twitter, LinkedIn) and the website (WordPress)

- **Network animation support:**
 - Creation of content around ocean-climate-biodiversity solutions
 - Create a weekly ocean-climate watch
 - Assist with the internal communication of the network (mailing, newsletter, etc.)
 - Assist with the organization of the annual OCP members seminar
 - Assist with the organization of regular meetings and events with network members

Skills and qualifications:

- Excellent command of both **English** and **French** (oral and written)
- Excellent writing skills and attention to detail
- Strong organizational skills and ability to **work with minimum supervision**
- Strong knowledge of international environmental affairs and governance (Scientific knowledge allowing a good understanding of the relationship between ocean, climate and biodiversity)
- Good skills in social media management
- Good knowledge of WordPress would be an asset

Academic background: Be enrolled in a masters' degree in environmental science, communication, journalism, international relations or in political science.

Dates: 6 March 2023, for a period of 6 months.

Financial compensation: Legal internship allowance.

Location: Maison de l'Océan, 195 rue Saint-Jacques, 75005 Paris.

To apply: Please send your CV, cover letter and availability to the attention of Ms Anaïs Deprez (outreach@ocean-climate.org) by 3rd February 2023, with the subject line: 03_23_POCCOM. Applications will be reviewed on a rolling basis. Selected candidates will be invited for an interview.
